SINCE YOU CAN'T GO ANYWHERE SAFELY, PLEASE READ THE WHOLE NEWSLETTER! :-)

- Valley Meeting For Worship Continues
- Augusta Meeting Won't Meet

Sunday, March 15

As of this writing Valley Friends will meet for worship as usual followed by second hour with Nate Wright sharing his Quaker Story.

We will meet with care and exercise appropriate precautions given the current health alerts - See BYM notes "Stay Safe Out There" below.

Individuals are encouraged to follow their own leading as to whether to join the group or worship with us from home. Either way we are gathered together in spirit.

Any changes in upcoming weeks will be publicized via the E-News and our Facebook page.

In Love and Peace,

Doris Martin for Ministry Worship & Care Committee
