Everyone is welcome; the ability to read music or sing is *NOT* a requirement. All ranges and ages are welcome (although we won't have child-care, but will have child-friendly songs). **Come for part or all.** We'll have a general sing led by Ruth Fitz, chanting led by Betsy Krome, hymn singing led by Meg Meyer, and You Pick led by all participants. There will be bagels and juice in the morning, and a yummy lunch midday. This is a fun, family-friendly, singles-friendly, everyone-friendly activity. It's a good way to get to know other Quakers--while restoring your soul. Hope you can come.
